

CONTEMPO

WarisanTM
In Selection

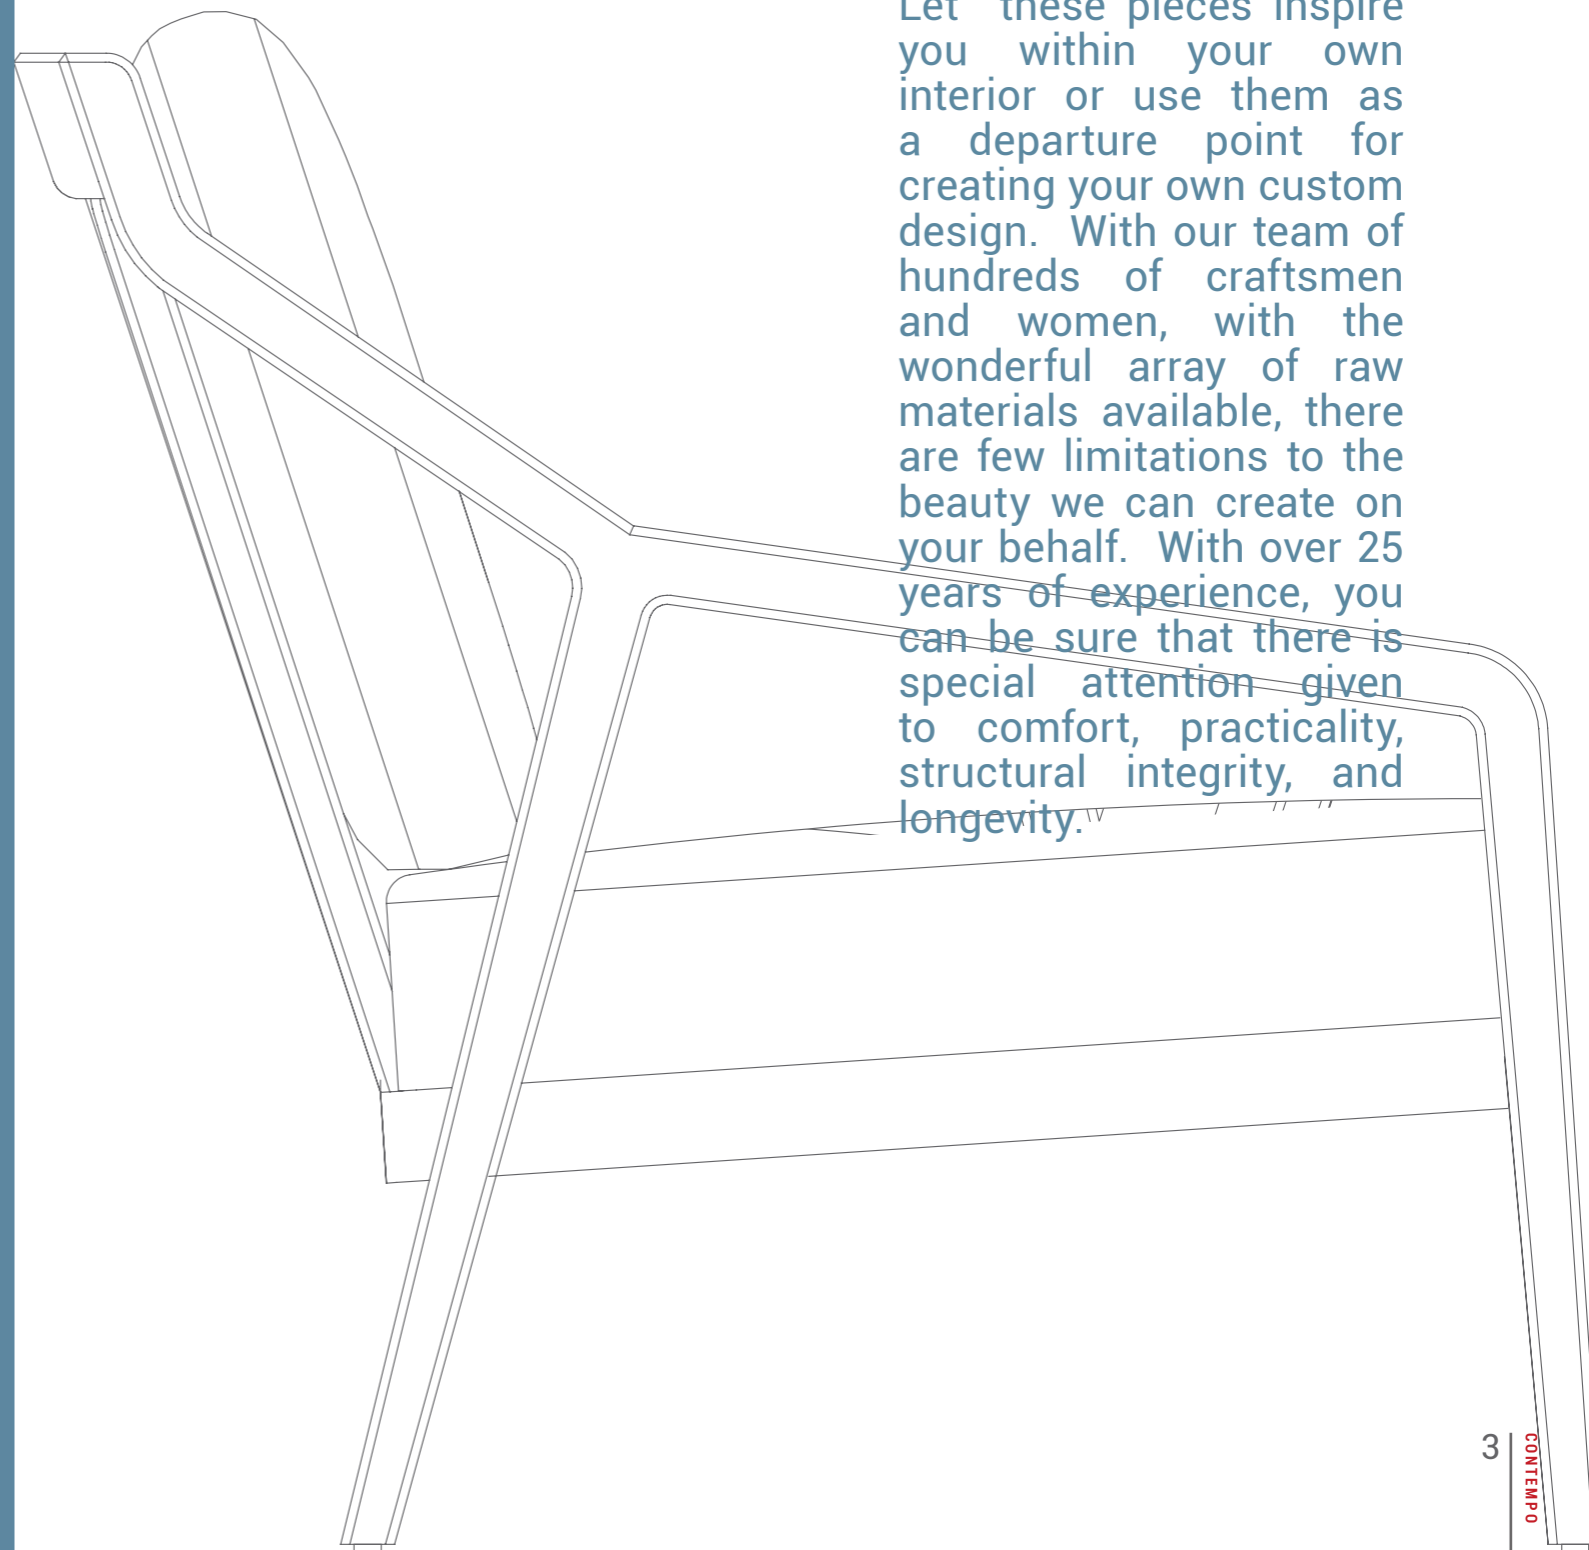

Hospitality and residential furniture since 1989.

The Contempo selection gathers clean lines and less rustic properties, resulting in a mix and match setting highlighting some of our favourite "newer" models. At Warisan, we strive pieces that can take proud residence in any space.

Let these pieces inspire you within your own interior or use them as a departure point for creating your own custom design. With our team of hundreds of craftsmen and women, with the wonderful array of raw materials available, there are few limitations to the beauty we can create on your behalf. With over 25 years of experience, you can be sure that there is special attention given to comfort, practicality, structural integrity, and longevity.TM

We hope you will enjoy exploring this new range.
