

CLASSICO

Warisan
In Selection

Hospitality and residential furniture since 1989.

Since our beginnings in 1989, a respect and appreciation for classic designs has been a distinctive signature of Warisan savoir-faire. Once upon a time, we focused on authentic reproductions, and over time we began refreshing traditional lines, creating our own versions of tropical classics and even a few neo-classics.

Inspired from the past yet freshly revisited to create a timelessness, the Classico selection is our latest offering. There is something magical about the hands of our finest carpenters creating heirloom pieces using the spectacular array of locally available raw materials.

We hope you will enjoy exploring this new range.

For these and other classic items, peruse our data base while visiting www.warisan.com.
